Directs that the system of grant of Advance either for construction or purchase of a house, or for the purchase of bicycle to a Government servant who is a compulsory subscriber to the State Provident Fund, be discontinued.

ORDER NO. FL. 2143-292—G.F. 54-54-2, DATED BANGALORE, THE 20TH JULY 1954.

According to Articles 289 (*e*) and 296 (*c*) and (*f*) Mysore Financial Code, Volume I, advances are being granted, for purchase or construction of houses or for the purchase of bicycles, to Government servants who are declared by competent authority as ineligible to take out a life insurance policy in the Official Branch of the Mysore Government Insurance Department, provided they are compulsory subscribers to the State Provident Fund.

2. With the extension of the Provident Fund Act of 1925 (Central Act) to Mysore, the system of grant of advance to Government servants who are merely subscribers to the Provident Fund and who are unable to insure their lives in the Official Branch of the Mysore Government Insurance Department is defective, in that the advance so granted is not susceptible of recovery, should a contingency arise, from the balance at the credit of the subscriber of the Provident Fund, as Provident Fund is neither assignable to any other person nor attachable under any decree or order of any Civil or Criminal Court in respect of any debt or liability incurred by the subscriber or depositor to the Fund.

3. It is, therefore, directed that the system of grant of advances either for construction or purchase of a house, or for the purchase of a bicycle to a Government servant, who is a compulsory subscriber to the State Provident Fund on account of his being declared by a competent authority as ineligible to take out a life insurance policy in the Official Branch of the Mysore Government Insurance Department, be discontinued.

4. Necessary amendments to delete Articles 289 (*e*) and 296 (2) (*c*) and (*f*) of the Mysore Financial Code will issue separately.

N. MADHAVA RAO,
Secretary to Government,
Finance Department.
